The exercise of such right shall not require the City to secure any permit or other advance approval from the United States. Upon acquisition by the United States, such lands are hereby permanently withdrawn from all forms of entry and appropriation under the public land laws, including the mining and mineral leasing laws, and the Geothermal Steam Act of 1970 (30 U.S.C. 1001 et seq.).

[(A) by reducing the acreage of the non-Federal lands identified in subsection (a) to be conveyed, as determined appropriate and acceptable by the Secretary and the City;

[(B) the making of a cash equalization payment to the City, including a cash equalization payment in excess of the amount authorized by section 206(b) of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1716(b)); or

If the Secretary declines to accept the non-Federal lands identified in subsection (a)(1)(B) for any reason, the City shall make a cash equalization payment to the Secretary as necessary to equalize the values of the non-Federal lands identified in subsection (a)(1)(A) and the Federal land identified in subsection (b).

Such encumbrance on the Federal land prior to conveyance shall not be considered for purposes of the appraisal.

[(f) ALTERNATIVE SALE AUTHORITY.—If the land exchange is not completed for any reason, the Secretary is hereby authorized and directed to sell the Federal land identified in subsection (b) to the City at its final appraised value, as approved by the Secretary.
